## WHAT WE'RE ON ABOUT

### Invitation and Challenge

We're about inviting young people to live with spirit. We want to encourage the best in young people through good relationships and challenging experiences. We know that when young people experience both encouragement and challenge, they grow resilience, character, hope and capacity.

An exciting space for young people of all ages.

CORNER 66 is an exciting youth group initiative for young people from 12-18 to grow resilience, meet friends, learn new things and have stacks of fun.

See ya at CORNER 66

# Stuff we do!

## OUT OF TOWN EXCURSIONS

With our 22 seat bus, we are able to do some fun things out of town like trips to Melbourne attractions like footy, indoor rock climbing, the and the beach.

We regularly head to the Zone, Jumps and Bowling in Bendigo.

## FUN LOCAL PROGRAMS

Like making a movie, engaging in cardboard wars, playing sports. Games nights and hanging out with mates.

Dinner provided on these nights.

## CAMPS

The annual Queens Birthday camp is often described as 'the best camp ever!' We aim to keep the costs low, at around \$130 for three days including accommodation, great food and activities.

## SOCIAL ACTION PROGRAMS

We want to encourage young people to 'have a heart' and so we provide opportunities to participate in making the world a better place. Among the projects undertaken...

**A Christmas Hamper Program.** We raise the money, pack and deliver yummy hampers to families in our community.

**Ping Pong a Thon.** A sleepover 24 hour ping pong marathon to raise awareness of human trafficking.

**Interstate Aid Trips.** Assisting communities to reach their young people.

## PIZZA PACK

A fortnightly pizza dinner to chat with and hang out with mates. Conversations about life, purpose, news, ethics, justice and meaning. For young people aged 12-18.

## INTERSTATE AND INTERNATIONAL TRIPS

The world is a big place, and we provide opportunities for young people to learn and grow character through participating in interstate and international aid and development programs. Corner 66 facilitates excursions to give HS aged and Young Adults a chance to explore the world and make a difference to some one else's world.
