Event Description and General Notes

Cost	We try to keep the costs to the barest minimum. Most programs are free. However occasionally we will have a program that has a cost. Let Helen Butcher know if this will preclude your family from participating. We can assist.
Pizza Pack	Every alternate Friday an opportunity to enjoy pizza and catch up, chat and play. Will discuss issues of life, news, values and relationships. Gold Coin Donation CALL DAVE ON 0403 189 082 if attending (to ensure there's enough Pizza for everyone!)
Transport	We will use the bus for programs operating outside the church building. Generally for local trips there will be no cost. Trips to Melbourne may require a small donation to cover fuel.
Food	Youth Group will usually have a meal included UNLESS OTHERWISE STATED. This is at no cost.
Lawn Bowls	This is a night for the WHOLE FAMILY. No skill needed. We want to have a few programs where parents and siblings can join in. They'll be great fun.
Sim Game	A role Playing Game that is fun and full of useful learning.
A Tale of Two Cities	A trip to Melbourne's CBD, exploring with all our senses the two lives of Melbourne (a guided reflective view). Stop at Maccas on the way home. Home around 11pm
Queens B'day WE Camp	For the last three years we have camped at Coolamatong near Bairnsdale. We are exploring a change of venue. TBA.
Fashion Parade	This will be a joint project with the Salvation Army to raise funds for a charitable cause. Whole family event and mad fun as we frock up for a cause.
